WORK EXPERIENCE

PetPartners – Raleigh, NC

09/2016-09/2017

Web Developer

- Maintained and created content for akcpetinsurance.com and petpartners.com using: HTML5, CSS3, Javascript, jQuery, C#, Razor, KnockoutJS, Git.
- Frequent use of Chrome Developer Tools for debugging, and analysis.
- Content created for both websites are fully responsive and tested for cross browser compatibility.
- Projects include: creating an internal search engine using Google API, making akcpetinsurance.com completely W3C compliant, and creating an image lazy load script to increase performance.
- Collaborated directly with our graphic designer and marketing to create new content from detailed mockups.

The Iron Yard – Durham, NC

05/2016-08/2016

Front End Engineering Course -Developer

- Collaborated with a team of front-end and back-end engineers to create Homeshare, a fully functional home organization app with gamification features that includes a point system for completing chores, buying shopping list items and the ability to pay bills via the PayPal API.
- Became proficient with languages such as: HTML5, CSS3, SASS, Javascript, AngularJS, jQuery, Git, Github.
- Worked primarily in an Apple environment with Atom and Google Chrome for visual inspection and debugging.
- Completed projects ranging from responsive design with HTML5 and CSS to creating fully functional apps that communicate with multiple RESTful APIs.

Whole Foods Market – Durham, NC

08/2008-08/2016

Store Scanning Specialist/Customer Service

- Responsible for maintaining, auditing and printing accurate promotional, updated or replacement tags for the entire store.
- Report audit results to regional data team as well as coordinating the replacement of any inaccurate tags with the corresponding team in-store.
- Troubleshoot and maintain PCs, printers and POS devices throughout the store.
- Responsible for training new customer service team members in cashiering and cashier assisting.
- Provided support to customers and store team members via the service desk.

Electronic Solutions – Roxboro, NC

9/2003 –1/2008

PC Technician/Tech Support/Sales

- Provided sales and support of desktop PCs and laptops to private users and businesses
- Maintained over the phone and in person tech support for multiple Internet Services.
- Administered repairs of desktop PCs and laptops with advanced hardware and/or software issues.
- Implemented home and business network installation.
